Subject: Telephone Company Subpoenas

Ben, I am writing about the State Farm subpoenas to the Rigsbys' telephone carriers. It won't surprise you that we think they are overbroad because they seek all calls to and from the Rigsbys without any effort to particularize what you are looking for or to keep out privileged calls or calls between the Rigsbys and law enforcement. To avoid a motion to quash, can you agree to modify or withdraw the subpoenas.
