ORDER

The motion filed on April 24, 2007, by defendants, Cori Rigsby Moran and Kerri Rigsby, to quash the depositions of Carron Rockco and Michelle Lee is DENIED. It could and should have been filed sooner. The court can see how the testimony of these deponents could be relevant to the merits of the case. Allowing the deposition is not tantamount to a ruling that any testimony of the deponents can be used by plaintiff on the contempt issues which will come under submission under the present scheduling order.

DONE this 25th day of April, 2007.

 WILLIAM M. ACKER, JR.
 UNITED STATES DISTRICT JUDGE
